SUMMARY

Am **Majidi Salimu** with professional experience in Data Analysis, Business Intelligence and Website Development like E-commerce, Marketing or Business Website, Blog or Media Outlet, Education Website and Portfolio or Personal website. Also, am enthusiastic, obedient, trustworthy and hardworking person able to work in any conditions. Open to connect and share my skills and experiences.

Am interested in Webebsite design for solving society need with a proven ability to adapt in both self-starting and collaborative environments while staying focused on achieving high quality results under strict deadlines. This quality and results-based approach drove me to collaborate with Aziz Msangi and Kelvin Edson to create website (usafiwauhakika.com) for solving job seeker problem and provide home and institution cleaning.
